

LESSON FOUR - ACTIVITY ONE

Gleaning Barley

Directions:

1. **Print** several copies of page 2 on standard 8.5" x 11" thick paper or card stock. Be sure to print at Actual Size. (I suggest using card stock and laminating for extended use.)
2. **Cut** out enough barley stalks so that there are plenty to "glean" around the classroom.
3. **Directions:** Remind students of the concept of gleaning. Spread out barley stalks in designated "field" on the classroom floor. Have your male students pretend to harvest the barley (maybe three stalks each) and then ask female students to "glean" the barley that is remaining in the "field."
