

Train Up a Child

Music & Lyrics
Cindy Leihkauff

Train up a child, Train up a child, on their own they're loud and mes-sy and a
tee-ny bit wild. This world is all a jum-ble, they don't know what to do, so
God gave them par-ents to lead them wise-ly through. God has a spe-cial job for ev-'ry
Mom and Dad to do, teach your child to fol-low af-ter Christ and cling to what is true. Plant
treas-ures from God's word down deep in their hearts. The nur-ture of the Lord, that's where
wis-dom tru-ly starts. Train up a child, Train up a child, on our
own we're loud and mes-sy and a tee-ny bit wild. This world is all a jum-ble, we
don't know what to do, so God gave us par-ents to lead us wise-ly through.
